Skills

Frontend: Html5 | Css | JavaScript | TypeScript | React js | Next js | Redux | Firebase | Material UI | tailwind
Css | DaisyUi | Bootstrap | Framer Motion.

Backend: Node js | express js | Mongoose | MongoDB(Database).

Tools: Git and GitHub | Netlify | Vercel | Figma | Railway.

Project

Asetta-Autos: [Live link](#) || [Client repo](#) || [Server repo](#)

Overview: Collaborated on React e-commerce platform with Firebase, MongoDB, JWT, Node.js, Express.js, and Tailwind CSS for data handling, real-time features, and sleek UI.

- Implemented role-based authentication for secure access, allowing users to view and add cars to their cart for seamless purchases.
- Integrated SSL commerce for secure transactions, bolstering trust during checkout.
- Introduced dark and light modes for customizable user experience and reduced eye strain.

Technologies: React, Firebase, Node js, Express js, Tailwind CSS, Daisyui, Jwt.

Disaster Relief: [Live link](#) || [Client repo](#) || [Server repo](#)

Overview: Led a disaster relief project with React, Redux, Framer Motion, Tailwind CSS, MongoDB, and Express.js, creating an intuitive interface and a scalable, secure backend.

- Enabled users to donate to specific disasters, supporting targeted relief efforts.
- Allowed users to request volunteer assistance, streamlining the process for aid.
- Implemented donation leaderboard and dark/light mode for enhanced user experience and customization.

Technologies: React, Redux, MongoDB, Express js, Tailwind CSS, Framer Motion.

Pocket Tech Hub: [Live link](#) || [Client repo](#) || [Server repo](#)

Overview: Led the Pocket Teach Hub project using Next.js, Tailwind CSS, and MongoDB to create a streamlined, efficient platform for disaster response with a responsive, user-centric interface.

- Enabled users to view detailed information for each product.
- Developed a dashboard for efficient product management.
- Implemented SSG and client-side rendering for optimized performance.

Technologies: Next js, TypeScript, MongoDB, Express js, Tailwind CSS.

Education

National University, Bangladesh
Bachelor of Science (B. Sc) in Botany

2023 - present

Language

Bangla - Native

English - Comfortable

Hindi- Comfortable
